

April 2, 2019

Dear Ottawa Jewish School,

We are delighted to let you know that your school has been selected as a recipient of an award to thank you for your commitment to advocating for a safer world for all – both online and off.

TELUS is pleased to make a donation of \$1,500 to your school in recognition of your commitment to taking action to Rise Above to #EndBullying. We hope you will continue this good work to take a stand against cyberbullying in your classrooms to make our online world a safer friendlier place.

Some ideas on how you can continue to take action:

- An awareness building event – invite others in your community – have an open forum discussion. Bring in an expert!
- Poster contest – Supplies – Awards
- Letter Writing Campaign – Postage, Supplies
- Filming equipment or software to film student PSAs
- Speakers and presentations with a focus on bullying
- Host a movie night and show a film where bullying is central to the theme and then have a discussion about what we can do together to Rise Above!

The sky is the limit! Be creative and engage with your whole school community. Together, we can rise above to end bullying.

We cannot wait to hear about what you do next to take action and rise above bullying. Your Program Manager will be following up in the next few months to see how your planning is coming along and when your plan does come to life we'd be so grateful if you would share your story with us to help inspire others to do the same.

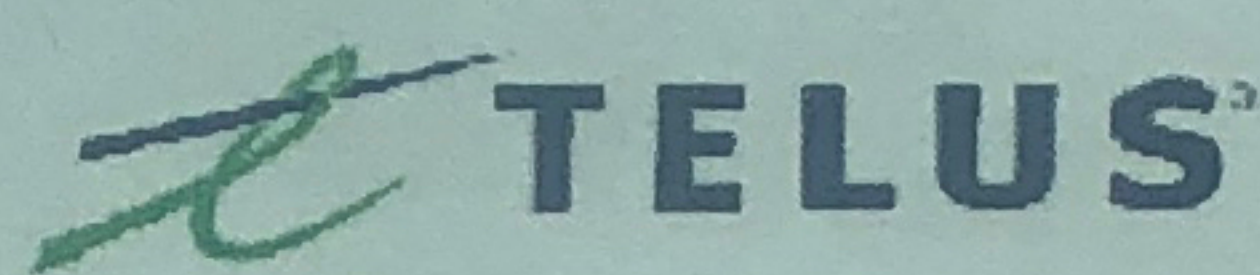

Congratulations again on the great work you do to benefit your community. Your efforts are truly making a difference.

Make a commitment to be kind online and take The Pledge to #EndBullying
www.we.org/endbullying

Sincerely,

Your WE Schools team

MADE POSSIBLE BY

A special thank you to TELUS for standing up to cyberbullying.

TELUS believes it has a responsibility to ensure digital spaces are safe for everyone, while improving lives through the power of technology. As a proud supporter of WE Day and WE Schools, TELUS is helping youth find ways to rise above cyberbullying and create positive change in their communities. Through TELUS Wise, a free educational program, TELUS empowers Canadians of all ages to stay safe in our digital world.
