SAFELY NAVIGATING THE ONLINE WORLD

An evening for parents with international speaker and nationally recognized authority on the topic of Internet safety, **JESSE MILLER** from **MEDIATED REALITY**

TOPICS TO BE DISCUSSED INCLUDE

- Helping our children responsibly use and understand social media
- Balancing technology use during a COVID year and beyond
- Addressing parental fears and minimizing stress around screen time
- Discussing perceptions around technology addiction
- And more

ABOUT JESSE MILLER

An authority on the topics of Internet safety, social media awareness, and communication trends, Jesse is regularly featured in news media. Working with public safety agencies, school districts, and corporate clients, Jesse assesses and supports issues stemming from social media use and mobile technology influences.
