RUACH

This week's north star is RUACH! This week we

had our Purim carnival and we will have lots of RUACH from all of the students at the OJCS. Purim is one of the most festive holidays of the year and we have so many festive traditions to celebrate. Remember to spend time with your friends and family. Have fun, and Ruach-filled Shabbat!

TORAH THOUGHTS FROM TALMIDIM

Ki Tisa

Parasha Ki Tisa is a Torah portion in the book of Exodus. In this parasha, Moses is told by God to collect money from each person over the age of 20, so that they can build a sanctuary for God. However, the people grew impatient and created a golden calf to worship instead of God. This made God very angry, and Moses had to convince God not to destroy the people. Moses then went up to Mount Sinai to receive the Ten Commandments from God, but when he returned, he found that the people had continued to worship the golden calf. Despite this, God forgave the people and continued to guide them on their journey.

Derech Eretz

- *We should trust God's plan even when things are hard.*
- *We should only worship God and not things we make.*
- *We should be good and ask for forgiveness when we make mistakes.*

Knesset passes the Law for Holocaust Memorial Day, creating Yom Ha'Shoah.

Did You Know In Israel...

The national flower is the anemone, which only blooms in the winter

the first ever computer virus called the "Elk Cloner" was invented by a 15-year-old israeli boy named Rich Skrenta

Shout Outs

I would like to give a shout-out to all of the middle school teachers and students for setting up this week's Purim Carnival
